Dear Advocate:

Attached please find an application for funds from the Coordinated Community Response Against Domestic Violence of King County. We are a non-profit with a mission to help victims of domestic violence.

The funding rules are as follows:

We will meet and make the decision on the amount given on a case by case basis. Please make sure that we receive all the information needed to make an informed decision.

If funds are needed to pay utility bills, the items we need from the client are listed on the attached form.

The form can then be faxed or emailed to Barbara Blywise, President. The correct fax is 253-344-1800. If there are problems with that fax, there is an alternate number. It is 253-929-1505 (need cover sheet). For communication purposes, my email is b.blywise@comcast.net.

Please copy the attached for your use. If you have any questions, please e-mail me or call at 425-829-5641.

We look forward to working with you.

Respectfully,

Barbara Blywise, President
